## For Your Safety

- Travel uphill only on designated routes indicated by uphill travel icons located beside the trail.
- During non-operating hours, you must descend the mountain on the designated uphill route. For your safety and that of our staff, do not deviate from the designated route.
- Travel on the edge of the trail and don't stand more than two people side-by-side across the trail.
- Don't stop in high traffic areas.
- Be alert and yield to all downhill traffic, including skiers and snowboarders.
- Resort and mountain operations run 24 hours a day, 7 days a week.
- Stay clear of all mountain operations and equipment, including, but not limited to grooming machines, snowmaking equipment, snowmobiles and lifts.
- Always yield to all resort personnel, mountain operations equipment, machines and vehicles.
- Stay clear of all snow grooming winch operations.

## Emergencies

During Operating Hours Dial Ext. 4444 from any in-house phone or call 802-422-1243 from your cell phone to reach Mountain Dispatch to request first aid assistance. In the event of an emergency during non-operating hours, uphill travelers must call 911.
